7th Annual WVEC EL Conference

Building a Culture of Language. A Culture of Learning. A Culture of Love.

October 4 or 5

Join us for WVEC's 7th Annual EL Conference: Building a Culture of Language. A Culture of Learning. A Culture of Love. We are excited to announce 2017 Teacher of the Year, Jitka Nelson as this year's keynote speaker! And as always, there will be multiple presenters and breakout sessions for every grade level.

This one-day conference will be held on two days to help limit the number of participants in each session and to give you the flexibility to choose the day that works best with your calendar. Or if you have sessions you'd like to attend, but cannot attend them all in one day, feel free to register for both days!

**Both days will be exactly the same.**

There will be sessions for General Teachers, EL Teachers, Paraprofessionals, and Administrators. Some of the breakout sessions include:

- Language Building
- Math Fluency and Problem Solving
- Getting Started with Els
- Co-Teaching
- Supporting Secondary Els
- Engaging Parents—Parent Nights
