“Workshop Information”

[Elementary—November 14, 2018](#)

[Secondary—November 15, 2018](#)

National Presenter, Dr. Tom Jenkins will be here to share Tier I (core instruction) research based practices for Elementary English Learners that are evidence based.

This workshop will include:

- An introduction to the components of SIOP and how these help EL's in the classroom
- Factors to consider when planning for EL's
- Effective Data Analysis for EL's
- Strategies for Language Development
- Interventions for EL's

Dr. Jenkins will present two sessions: **Elementary ELs on November 14th** and **Secondary ELs on November 15th.**

Tom Jenkins is a parent and a respected educational psychologist and consultant. He received his Educational Specialist Degree from James Madison University and his Doctorate in Education from the University of Virginia. He is an expert in Response to Intervention (RTI) training and heads a highly successful educational consulting firm in Wilmington, NC. He has worked as a school psychologist within the public education system for over fifteen years. Dr. Jenkins is a published author and sought-after speaker in the areas of RTI, Curriculum-Based Measurement, Problem-Solving Model, Student Assistance/Study Team Process, and Research Based Interventions.

Dr. Jenkins has been working at an ESL magnet school for the last ten years and is in the process of opening his own Latino Literacy Center for students and their parents in North Carolina.
